EVENT REPORT

Name Of The Activity	Basic Principles of Meril elite analyser	
Type Of Activity	Seminar	
Date And Time Of Activity	19/12/2019	
No. Of Participants	15	
Resource Person	DR MOH HILAL	
Coordinators	DR JAYESH AGARWAL	
Description	<p>The Seminar on the Basic Principles of the Meril Elite Analyzer, held on December 19, 2019, at SSVP Homeopathic Medical College and Research Institute, attracted 15 participants, including students, faculty, and laboratory professionals. This one-day event aimed to provide an in-depth understanding of the fundamental principles underlying the Meril Elite Analyzer, an essential tool in modern diagnostic practices. Expert presenters delivered comprehensive sessions, elucidating the key features, functionalities, and applications of the analyzer in the context of healthcare and research. The seminar facilitated hands-on experiences and practical demonstrations, allowing participants to familiarize themselves with the operation and maintenance of the Meril Elite Analyzer. The interactive nature of the event encouraged participants to engage in discussions, share insights, and address queries related to the analyzer's usage. By organizing this seminar, SSVP Homeopathic Medical College and Research Institute demonstrated its commitment to keeping its academic</p>

Description	<p>The Sensitization Program on Research Methodology, held from January 27th to February 1st, 2020, at SSVP Homeopathic Medical College and Research Institute, witnessed active participation from 29 individuals, including students, faculty, and researchers. This comprehensive program aimed to create awareness and enhance understanding of research methodologies in the context of homeopathic medicine. Over the course of six days, expert presenters delivered insightful sessions covering various aspects of research design, data collection, analysis, and ethical considerations. The program incorporated interactive workshops, providing participants with practical skills and tools necessary for effective research. Emphasizing a participatory approach, the sensitization program facilitated engaging discussions, encouraging knowledge exchange among attendees. By fostering a research-oriented mindset, the program aimed to empower participants to contribute meaningfully to the advancement of homeopathic research. SSVP Homeopathic Medical College and Research Institute's commitment to research excellence was evident throughout this sensitization program, contributing to the cultivation of a research-focused culture within the institution and equipping participants with valuable skills for their academic and professional endeavors.</p>

EVENT REPORT

Name Of The Activity	Seminar on Clinical research	
Type Of Activity	Seminar	
Date And Time Of Activity	12/11/2020 TO 14/11/2020	
No. Of Participants	33	
Resource Person	DR MOH.HILAL	
Coordinators	DR JAYESH AGARWAL	
Description	<p>The Seminar on Clinical Research, held from November 12th to November 14th, 2020, at SSVP Homeopathic Medical College and Research Institute, saw an impressive participation of 33 attendees, comprising students, faculty, and healthcare professionals. Over the three-day event, participants delved into the intricacies of clinical research methodologies and applications in the realm of homeopathic medicine. Renowned experts in the field delivered comprehensive presentations, covering topics such as study design, ethical considerations, data analysis, and the integration of clinical findings into homeopathic practice. The seminar provided a dynamic platform for interactive discussions, fostering a collaborative environment that encouraged knowledge sharing and the exploration of innovative research avenues. With practical workshops offering hands-on experience in research design and data interpretation, participants gained valuable insights to enhance their clinical research skills. The event not only promoted a deeper understanding of clinical research methodologies but also served to strengthen the research community at SSVP Homeopathic Medical College and Research Institute. The commitment to advancing knowledge and excellence in clinical research was evident throughout the seminar, making it a valuable and enriching experience for all involved.</p>
