EVENT REPORT

Name Of The Activity	Seminar on General guidelines and steps in the research process	
Type Of Activity	Seminar	
Date And Time Of Activity	10/05/2023 TO 12/05/2023	
No. Of Participants	29	
Resource Person	DR MOH HILAL	
Coordinators	DR JAYESH AGARWAL	
Description	<p>The Seminar on General Guidelines and Steps in the Research Process, held from May 10 to May 12, 2023, at SSVPHMC and Research Institute, proved to be a pivotal forum for academic and research enthusiasts. Over the course of three days, the event facilitated a profound exploration of the fundamental principles and methodologies inherent in the research process. Attendees, numbering 29, including students, faculty, and researchers, actively participated in discussions, workshops, and presentations that covered various facets of research planning, execution, and dissemination. The seminar not only emphasized the significance of adherence to ethical standards but also provided valuable insights into navigating the complexities of data collection, analysis, and interpretation. The collaborative and interactive nature of the sessions fostered a conducive environment for knowledge sharing and networking, contributing to the development of robust research practices within the academic community.</p>

EVENT REPORT

Name Of The Activity	Seminar on Classical Methods of Research	
Type Of Activity	Seminar	
Date And Time Of Activity	11/07/2023	
No. Of Participants	21	
Resource Person	DR MOH.HILAL	
Coordinators	DR JAYESH AGARWAL	
Description	<p>The Seminar on Classical Methods of Research, conducted on July 11, 2023, at SSVP Homeopathic Medical College and Research Institute, brought together 21 participants, including students, faculty, and researchers, for an in-depth exploration of traditional research methodologies. The one-day event focused on classical approaches to research, providing a platform for attendees to delve into time-tested methods and techniques. Through a series of informative presentations, interactive workshops, and expert discussions, participants gained insights into the historical evolution of research methodologies and their relevance in contemporary scientific inquiry. Emphasis was placed on understanding the significance of classical research techniques in laying the foundation for robust and reproducible results. The seminar not only enhanced the participants' understanding of classical research methods but also encouraged thoughtful reflection on their application in current research practices. Overall, the event contributed to fostering a deeper appreciation for the historical roots of research methodologies within the academic and research community.</p>
