## **IQAC Action Taken Report on Feedback Analysis**

### **Academic Year 2022-23**

Feedback Analysis Report 2022-23 has been uploaded on the college website. All the stakeholders of the college have provided their valuable feedback on various aspects of the college functioning. They have duly appreciated the efforts of the college and faculty in providing a holistic environment for their development and at the same time given suggestions for the improvement in the functioning of the college. Students have expressed their satisfaction on various fronts while highlighting the need to improve some aspects of the infrastructure of the college. Teachers have highlighted the happiness of students to be learning in the offline mode and need to continue to enhance the practical component in the teaching learning process while appreciating the efforts of the college in providing an enabling environment for learning for the students. The Alumni expressed their satisfaction with college in giving them the right foundation for their future life and expressed their willingness in aiding thorough contribution in placements and guest lectures. Parents expressed their satisfaction with the infrastructure, teaching, facilities etc. in the college. After duly analysing the feedback received from various stakeholders, the college has taken necessary steps, and these are tabulated below.

2.	<p><i>Teachers Feedback:</i></p> <p>Majority of the teachers are satisfied with the curriculum as to outcomes and employability aspect of the Curriculum. More infrastructural augmentation and Application oriented teaching is suggested. Teachers feel college provides a conducive environment for learning. The students need to be encouraged to attend offline classes and re-engage themselves post the covidonline interactions. Research and collaboration with industry should be enhanced.</p>	<p>College encourages teachers to participate in curriculum design and attend workshops, FDP's etc.</p> <p>College has continued with its mentor-mentee program and organization of events. Teachers make the teaching application oriented through various practical case discussions, projects, lab exercises, industry relevant projects and involvement of students in research.</p>
3.	<p><i>Employers Feedback:</i></p> <p>Students must develop professionalism and appreciate the organizations which hire them.</p>	<p>This was highlighted with the concerned committees so that, students can be more decisive in committing to the organization which hires them and be more professional in their work.</p>
4.	<p><i>Alumni Feedback:</i></p> <p>Majority of the alumni expressed their satisfaction with the college. They were satisfied with the efforts taken by the college to connect with its Alumni but wanted more such interactions to take place.</p>	<p>The suggestions of the alumni were taken cognizance of. The college take steps to enhance the involvement of the alumni through Alumni meetings, lectures and/or inviting them to various events.</p>
5.	<p><i>Parents Feedback:</i></p> <p>Majority of the parents were satisfied with infrastructure, learning and environment in the college. A few suggested improvements in facilities.</p>	<p>The college is continuing to address the needs of the students so that their parents are also satisfied with the facilities and teaching-learning environment in the college.</p>
