Date	05/09/2020	
No. of Participants	50	
Coordinator(s)		
Description	<p>On September 5, 2020, SSVP Homeopathic College and Research Institute paid tribute to the invaluable contributions of teachers with a special celebration in honor of Dr. S. Radhakrishnan. The event, attended by 50 participants, commemorated the birthday of Dr. S. Radhakrishnan, a renowned philosopher and the second President of India, who advocated for education and the role of teachers in shaping young minds. Participants expressed their gratitude and appreciation for teachers through various activities, including speeches, performances, and presentations. The celebration not only honored the dedication and commitment of teachers but also served as a reminder of the importance of education in shaping the future. With each tribute and expression of gratitude, participants exemplified the college's reverence for knowledge and the profound impact of teachers on society.</p>

<b>Name of the Activity</b>	ONLINE QUIZ
<b>Date</b>	30/04/2020
<b>No. of Participants</b>	18
<b>Coordinator(s)</b>	
<b>Description</b>	<p>SSVP Homeopathic College and Research Institute embraced the digital age on April 30, 2020, with an engaging Online Quiz competition. Eighteen participants tested their knowledge and wit in a variety of subjects, ranging from general knowledge to current affairs. Utilizing online platforms, participants competed in a series of challenging quizzes designed to stimulate their intellect and promote learning. The Online Quiz not only encouraged critical thinking and knowledge retention but also fostered a sense of friendly competition and camaraderie among participants. With each question answered and point scored, participants demonstrated their intellectual prowess and eagerness to learn. The event underscored the college's commitment to embracing technology as a tool for education and providing innovative learning opportunities for students.</p>

Coordinator(s)		
Description	<p>On April 30, 2020, SSVP Homeopathic College and Research Institute ignited creativity and imagination with an exciting Pictionary competition. Sixteen participants showcased their artistic talents and quick thinking as they competed in teams to depict words and phrases through drawings. Spectators were entertained as participants raced against the clock, sketching and guessing with enthusiasm. The Pictionary competition not only encouraged creativity and teamwork but also fostered laughter and camaraderie among participants. With each sketch and guess, players demonstrated their ability to think creatively and communicate effectively. The event exemplified the college's commitment to providing opportunities for students to engage in recreational activities that promote creativity, critical thinking, and social interaction.</p>

### ACTIVITY REPORT

Name of the Activity	ONLINE MEMORY GAME
Date	04/10/2021
No. of Participants	25
Coordinator(s)	
Description	SSVP Homeopathic College and Research Institute organized an engaging Online Memory Game on October 4, 2021, attracting 25 participants eager to test their memory and concentration skills. The event featured a series of challenging memory exercises and puzzles, where participants had to match pairs of images or recall sequences of patterns within a time limit. Through strategic thinking and sharp observation, participants competed to achieve the highest scores and demonstrate their prowess in memory retention. The Online Memory Game not only provided entertainment but also served as a mental workout, sharpening participants' cognitive abilities and enhancing their memory recall. With each round stimulating the mind and fostering healthy competition, the event showcased the college's commitment to promoting cognitive development and providing engaging activities for its students.
