EVENT REPORT

Name of Activity	Distribution of Ars Alb30 immuno booster at MUHS
Type of Activity	Extension Activity
Date	08/01/2021
Details of Participants	24
Resource person	DR MOH.HILAL
Coordinators	DR JAYESH AGARWAL
Organized by	NSS club
Description	<p>On January 8, 2021, the NSS club at SSVP Homeopathic College and Research Institute undertook a valuable extension activity by distributing Ars Alb30, an immuno booster, at MUHS (Maharashtra University of Health Sciences). This initiative aimed to contribute to the well-being of the community by providing a homeopathic immune-boosting remedy during a time when immune health was crucial. The NSS club collaborated with healthcare professionals to ensure the safe and informed distribution of Ars Alb30, emphasizing its potential benefits in supporting the immune system. This event not only demonstrated the NSS club's commitment to community health but also showcased its proactive approach in addressing health challenges. By participating in the distribution of an immuno booster, the NSS club at SSVP Homeopathic College and Research Institute played a significant role in promoting preventive healthcare practices within the MUHS community.</p>

Organized by	NSS club

<p>Description</p>	<p>On February 16, 2021, the NSS club at SSVP Homeopathic College and Research Institute actively participated in the FIT India Movement, organizing a dedicated extension activity. This initiative aligned with the national campaign's objectives to promote fitness and well-being across educational institutions. The NSS unit engaged students and faculty in various fitness-related activities, including sports, yoga sessions, and health awareness programs. By encouraging a culture of physical activity and healthy lifestyles, the NSS club aimed to contribute to the broader goals of the FIT India Movement. The event not only fostered a sense of community and camaraderie but also emphasized the importance of regular physical activity for overall well-being. Through its involvement in the FIT India Movement, the NSS club demonstrated its commitment to promoting a healthier and more active lifestyle within the SSVP Homeopathic College and Research Institute community.</p>

EVENT REPORT

Name of Activity	Awareness On Tobacco free campus
Type of Activity	Social Awareness
Date	27/03/2021
Details of Participants	26
Resource person	DR MOH HILAL
Coordinators	DR JAYESH AGARWAL
Organized by	NSS club

Description	<p>On March 27, 2021, the NSS club at SSVP Homeopathic College and Research Institute conducted a notable social awareness campaign focused on creating awareness about a tobacco-free campus. The initiative aimed to educate students, faculty, and staff about the detrimental effects of tobacco use and promote a healthier and smoke-free environment within the college premises. Through informative sessions, poster campaigns, and interactive discussions, the NSS club sought to emphasize the importance of a tobacco-free lifestyle, both for personal well-being and the well-being of the entire college community. By raising awareness about the hazards of tobacco and advocating for a tobacco-free campus, the NSS club demonstrated its commitment to fostering a health-conscious and supportive educational environment. This event not only contributed to informed decision-making regarding tobacco use but also encouraged a culture of well-being and responsibility among the members of SSVP Homeopathic College and Research Institute.</p>

Description	<p>On June 12, 2021, the NSS club at SSVP Homeopath College and Research Institute organized a comprehensive Covid Awareness Program, showcasing a commitment to social awareness during the ongoing global health crisis. The program included informative sessions, interactive workshops, and distribution of educational materials aimed at fostering a deeper understanding of Covid-19, its preventive measures, and vaccination awareness. Through this initiative, the NSS club sought to equip students, faculty, and the local community with essential knowledge to navigate the challenges posed by the pandemic. By addressing misconceptions and promoting responsible behavior, the club played a vital role in promoting collective well-being and creating a safer environment within the college and its vicinity. The Covid Awareness Program exemplified the NSS club's dedication to community welfare and its pivotal role in disseminating crucial information during challenging times.</p>

Description	<p>On July 21, 2021, the NSS club at SSVP Homeopathic College and Research Institute conducted a dual-purpose extension activity, combining a Tree Plantation initiative with the NSS Inauguration ceremony. This event was a testament to the club's commitment to environmental consciousness and community engagement. The Tree Plantation segment involved students, faculty, and volunteers planting trees within the college premises, promoting the significance of sustainable practices and fostering a greener campus. Simultaneously, the NSS Inauguration marked the beginning of another year of community service, with an emphasis on social responsibility and volunteerism. The dual event aimed to integrate environmental awareness with the NSS club's overarching goal of community welfare, setting a positive tone for the academic year and inspiring a culture of environmental stewardship among students at SSVP Homeopathic College and Research Institute.</p>

Description	<p>On August 9, 2021, the NSS club at SSVP Homeopathic College and Research Institute organized a pivotal extension activity in the form of a Blood Donation Camp. Recognizing the perpetual need for blood donations to support healthcare efforts, NSS volunteers actively engaged with students, faculty, and the local community to encourage participation in this life-saving initiative. Collaborating with healthcare professionals, the camp provided a secure and efficient environment for voluntary blood donations, contributing to the regional blood supply. The event not only demonstrated the NSS club's dedication to community welfare but also emphasized the vital role that student-led initiatives play in addressing critical health needs. The Blood Donation Camp underscored the NSS club's commitment to fostering a culture of compassion and collective responsibility within SSVP Homeopathic College and its surrounding community.</p>

Coordinators	DR JAYESH AGARWAL
Organized by	NSS club
Description	<p>On September 17, 2021, the NSS club at SSVP Homeopathic College and Research Institute orchestrated a significant extension activity through a Health Checkup Camp. This initiative aimed to prioritize the well-being of students, faculty, and the local community by offering accessible healthcare services. Collaborating with healthcare professionals, NSS volunteers facilitated comprehensive health check-ups, including vital parameter assessments, consultations, and health education sessions. The camp not only addressed immediate health concerns but also emphasized the importance of proactive health management and preventive care. By organizing the Health Checkup Camp, the NSS club demonstrated its dedication to community welfare, contributing to the cultivation of a healthier and more informed community within SSVP Homeopathic College and its vicinity. This event served as a reminder of the NSS club's role in promoting holistic well-being and fostering a culture of health consciousness.</p>
